## Headwaters skating rink set to open November 21, but with COVID-19 related restrictions

FORT WAYNE, Ind. (WANE) The Headwaters Park outdoor ice skating rink is tentatively scheduled to open to the public on November 21, but the 18th season of operation will be unlike any previous one because of the coronavirus pandemic.

Assembly of the rink is set to begin this week and once it opens attendance will be limited to 50 percent capacity and masks or face coverings will be required on the premises and on the rink unless the current mask order is lifted by Indiana Governor Eric Holcomb.

Social distancing will also be required and advance reservations will be accepted. There will be hand sanitizers stationed at the park and other features to protect guests and staff. Restrooms and ice skates will be cleaned and sanitized on a regular basis. Guests may rent skates or bring their own. Extra precautions in the concession room will also be taken to provide safely for guests and staff.

The plan has been approved by the Allen County Department of Health.

"The pandemic continues

to have a strong hold on Indiana, but we felt it was important to continue the tradition of outdoor ice skating this winter, with extra precautions in mind," said Geoff Paddock,

Executive Director of the Headwaters Park Alliance.

Details of this season's sponsor, hours of operation, and pre registration details, will be announced at a later date.

# PREPARING FOR FALLING RAIN AND LEAVES

## NEIGHBORS HELPING NEIGHBORS

Sometimes heavy rains can totally overwhelm Fort Wayne's storm sewer system. In autumn, falling leaves can block storm drain inlets causing standing water and localized flooding even during smaller rain storms. You and your neighbors can protect your property and help ensure that emergency and other vehicles have access to your neighborhood by doing the following:

- 1.** Be a good neighbor and remove leaves and other debris from the gutters and storm sewer inlets near your home before it rains. This helps in several ways:
  - Helps prevent street flooding during future rain storms
  - Keeps your neighborhood looking tidy and well maintained
- 2.** If you notice that your street is flooding, clear accumulated leaves and debris from storm sewer inlets to keep the water flowing.
- 3.** Manage yard waste properly by keeping it out of the street and storm drain.
- 4.** Never pour chemicals, grease, oil, paint or any other fluids down storm sewers.

Fort Wayne's Street Department employees will be picking up leaves and will clean leaves off the streets this fall. But the City also relies on your efforts as a good neighbor to reduce flooding and protect property in your neighborhood.

## Call Before You Dig!

As homeowners you may be purchasing Internet and/or phone services with all of the NEW technology now being offered. This will require companies to dig in our neighborhood. Because Arlington has an elaborate system of greenway lights running behind the homes, this poses a possible predicament. We are asking all residents planning to add new service or replace old service to give us a call at the clubhouse at 486-1967 or email us: [Info@arlingtonpark.net](mailto:Info@arlingtonpark.net). Before you dig! Arlington's electrician will locate all of our underground lines free of charge. All we ask is 72 hours notification before the digging is to begin. Remember, Don't Dig Blind!

## Members Do Mind!

- Do you allow your dog to bark relentlessly?
- Do you let your dog off leash to cruise the park?
- Do you let your cat or dog outside to run the neighborhood?
  - Do you fail to scoop up after your dog or cat in public areas?

Everyone loves a pet until it becomes a neighborhood nuisance. Be a responsible pet owner and a considerate neighbor. City leash laws and sanitation laws are actively enforced for both cats and dogs. A message from the City of Fort Wayne and the Animal Care and Control Department.

# Neighborhood Leaf Pickup schedule listed

Leaves are beginning to change color and fall, so Fort Wayne Street Department crews are gearing up for leaf collection starting the morning of Oct. 29th.

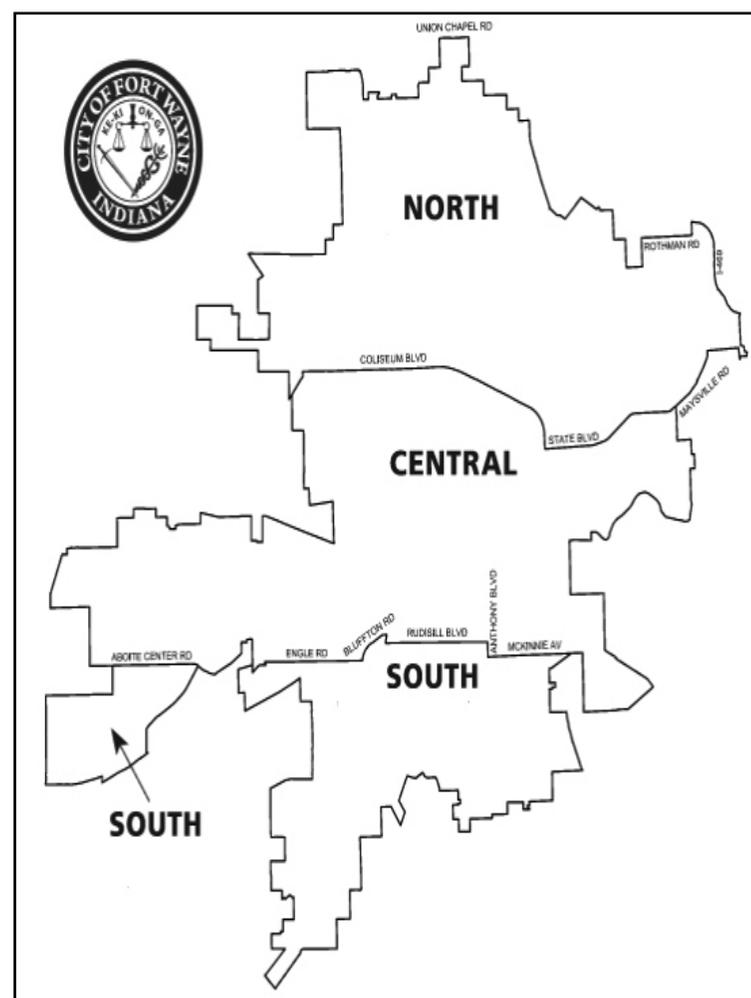

Collections will occur two times in each of the city's more than 400 neighborhoods, with the last week of collection starting in December.

For curbside leaf pick-up residents should rake leaves to the curb or park strip in front of their home, but not into the street. Leaves should be in the park strip by 7 a.m. on Monday of the week the leaves are to be collected for your area. Other yard waste should not be mixed with the leaves.

Residents can access daily collection updates at [cityoffortwayne.org/leaves](http://cityoffortwayne.org/leaves). There they will find a neighborhood schedule updated daily, collection map and general leaf collection information. This daily update will soon and residents can call 427-2603 for daily updates.

You can also schedule a pick-up if you place your leaves in biodegradable bags by calling 311. The bags should be placed at the curb and will be collected within two business days of the call.

Don't put leaves in your trash or recycling cart. This is against state law, and burning leaves

is a violation of city code and can result in a fine. Don't place leaves in or over storm drains.

Parents should remind children to not play in leaf piles near the street.

# Impact of COVID-19 results in solid waste collections changes

September 24, 2021--Due to the continued surge in COVID-19 cases locally, beginning Monday, Oct. 4, garbage and recycling crews will collect only City of Fort Wayne-issued carts used for residential collection. In addition, workers will collect one bulk item per week per household. A bulk item is considered furniture or a large non-freon item that doesn't fit in the collection bin.

These restrictions are being reinstated to protect workers and residents. These practices are

similar among other refuse hauling companies across the country and assist in the efficiency of getting garbage and recycling materials collected even through driver shortages and equipment challenges that are being experienced locally, statewide and nationwide.

When drivers are quarantined due to a person case of COVID-19, a family case of COVID-19 or exposure to the virus, it makes timely collections more difficult. Also, routes are completed faster when extra bags

outside of carts and additional bulk items don't have to be collected.

The updated collection process will remain in effect until further notice. This type of collection was implemented for several months in 2020 and into 2021 as a result of COVID-19.

Residents are reminded that lids on garbage bins should be closed when placed at the curb or alley for collection. Residents interested in obtaining additional City-issued garbage bins for \$2 and/or additional City-issued re-

cycling bins at no charge should contact 311.

Residents should place yard waste in City-issued garbage bins or take yard waste, including leaves, limbs and branches to the City Utili-

ties Biosolids facility at 6202 Lake Ave. Drop off fees are \$1 per 100 pounds.

Biosolids Hours of Operation: Monday-Saturday, 8 a.m.-6 p.m.

# Pickleball opportunities at Arlington

Hello Arlington Pickleballers AND anyone who thinks they would like to learn how to play...

Let me start by introducing myself. My name is Matt Bradenberger and I am the Director of Pickleball for Arlington Park. I wanted to let you know about a couple of opportunities this Fall as Pickleball continues to grow in the neighborhood!

First of all, In September we started our first 6-week League. Here is what you'll need to know:

-You can sign up with a partner or as an individual to be matched up with another individual.

-There will be (2) divisions. One for beginners and one for intermediate (gender does not matter).

-Non-Arlington residents are welcome, but are subject to a \$25 annual non-resident court fee.

-You will play (1) match (best of 3 to 11) each week and can

schedule it anytime that works for you and your opponent.

-Cost is \$15/person to cover prizes, set-up and administration.

-League details will be sent out after registering.

And if you are interested in individual or small group private lessons, please reach out to me anytime. I would love to work with you! You can email me at [hoosierpickleball.com@gmail.com](mailto:hoosierpickleball.com@gmail.com) or 260-450-8246.

# Fire Department offers reminder to avoid open burning

As the leaves begin to fall from the trees, people look for ways to remove them. For those considering burning leaves, twigs or trash that have accumulated on their lawns, the Fort Wayne Fire Department reminds everyone to avoid open burning as a general rule.

FWFD Fire Marshal Jim Murua says, "No one is to kindle or maintain open burning consisting of a trash fire, leaf fire, refuse fire, or other open burning according to Fort Wayne City Code."

He explains that there are two exemptions allowed under certain conditions:

1. Bonfire celebrating school pep rallies are on exemption which requires obtaining a Burn Permit from FWFD at least 24 hours in advance of the permitted open burning. Call 427-1102 for more information or with questions.

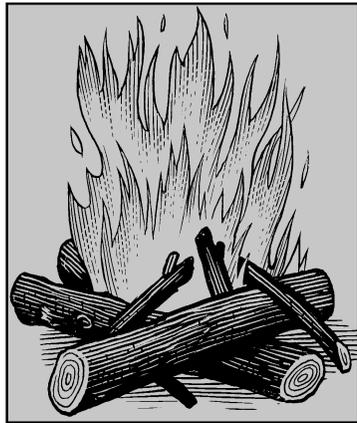

2. Recreational camp fires for scouting or family cookout activities are allowed without a permit and a subject to the conditions listed below.

These exemptions must be subject to the following:

- A garden hose connected to a water supply, buckets, shovel, fire extinguisher or other approved fire-extinguishing equipment shall be readily available at the burn site.

- Only wood products shall be burned. No leaves, paper or trash.

- A fire shall be attended by a responsible party at all times until completely extinguished.

- A fire shall be located at least 25 feet away from any structure, fence or right of way.

- A fire shall not exceed an area three feet wide by two feet high.

- Anyone who recklessly, knowingly or intentionally kindles, or maintains any open burning consisting of a trash fire, leaf fire, bonfire, refuse fire, or other open burning that damages property of another person may be liable for criminal mischief.

- Any person who maintains burning of combustible materials out of doors or open burning not permitted shall be in violation and may be fined \$50. If the violator does not appear in response to a notice issued to them within a period of 30 calendar days from the date and time shown on the notice, the penalty shall be \$75. Repeat violators will be fined.

Please take the extra necessary to exercise safety at all times.

## Thanksgiving Coloring Contest

All colorings should be mailed or dropped off at the clubhouse no later than November 27. Winners from three different age categories: 5 and under; ages 6-9 and 10-12 will be announced. Prize of \$10 for each age category.

*Happy Thanksgiving!*
