Notice of Golf Cart Rules on Public Roadways

As summer approaches, we would just like to send a friendly reminder regarding the use of golf carts on public (city) roadways.

Below you will see the Indiana code regarding such. We understand that this can be frustrating, but also understand that there is nothing legally that we can do to change the code as an HOA.

Please note, that up to this point, security has not been ticketing residents, but rather, has had conversations with a few re-

iterating the code. However, as it continues to be an issue, they will have not other option but to ticket.

Indiana Code (IC) 9-21-8-57 prohibits operating golf carts or off-road vehicles on highways, except under specific conditions, namely, and ordinance adopted under IC 9-21-1-3(a)(14) and IC 14-1-1-20. The City of Fort Wayne does not permit golf carts to be used on public roadways. For this IC Code, highway and roadway are the same.

Tennis sign ups May 7 at clubhouse

Sign up night will be May 7th from 4-6 p.m.

We are excited to begin our 16th season of tennis at Arlington Park.

Once again we will be offering tennis classes for adults and children. The program is Monday through Thursday with makeup classes on Friday or Saturday. If you have any questions about the summer program please give me a call at 260 402-8136.

Ellen Reidy will be back again this summer as my assistant. She recently signed to play tennis at St. Francis. Having grown up playing in the Arlington tennis program she is an example of how tennis is a positive experience for life.

UPDATE ON TENNIS COURT 3-4

After multiple repair issues and expenses that have occurred in attempting to keep the lights on at Tennis Courts 3-4, the Board, following much discussion, has agreed that any further maintenance and cost were unnecessary and unwarranted at this time.

This decision was based upon Indiana becoming Daylight Savings time, as well as the limited usage of the courts after daylight hours.

It was also discussed and concluded that these monies could be better spent and utilized elsewhere as needs arise.

Fort Wayne's Tall Grass/Weed Program Returns this summer

The city of Fort Wayne will begin enforcing its tall grass/weed program in May.

The program allows residents to report grass and weeds over nine inches. This is enforced through the Neighborhood Code Compliance.

The public can report possible violations by calling 311 or 260-427-8311. Individuals reporting a violation must provide the property's street address.

"Tall grass on one property can negatively affect an entire neighborhood," said Chris Blauvelt, Neighborhood Code Compliance Director. "The city of Fort Wayne's Weed program not only addresses tall grass, but also assists in the prevention of other nuisances such as noxious vegetation, rodent, insects, and illegal dumping."

If a property is in violation, they will receive a citation with a notice ordering them to mow within five days. Inspectors take a date-stamped electronic photo and post a placard on the cited property and

a notice is mailed to the owner of the property.

If the property is still not up to the ordinance, the Neighborhood Code will send a private contractor to mow the property owner. The owner will then be charged for the mowing. If the invoice is not paid within 30 days, a lien will be placed on the property. The charge is based on lot sizes.

Neighborhood Code Compliance employs eight seasonal, part-time inspectors who respond to concerns from the public, but also act protectively to identify high grass and weeds, particularly along high-traffic corridors.

SIGNS

No sign shall be erected or permitted, except one professional sign of not more than one foot square, or one sign of not more than five (5) square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.

Neighborhood Clean Up Day May 10 at Arlington

Sponsored by the cityoffortwayne.org

The City of Fort Wayne offers every Neighborhood Association a cleanup day on an annual basis. We should all thank Matt Gratz with the city for arranging our special day. This year's cleanup will be held on May 10th between the hours of 8 a.m. and 12 p.m. (Noon). The City will supply the neighborhood (free of charge) (2) 40 yard roll-off containers. Please plan ahead to clean up! The attic, garage, or yard of stuff you no longer can use or need. Healthy neighbors take this opportunity to assist a neighbor in need by offering to bring items that have been collected up to the container site located behind the main bulletin board at Arlington Park's Arlington Parkway South. The community thanks you for your contribution. Members must show Member Tags. Let's get busy!!!!

GUIDELINES FOR ROLL-OFF CONTAINERS AND TRUCKS

Neighborhood Cleanup Program Guidelines for Roll-Off Containers and Trucks. Materials that cannot be put into the container/truck include:

***Latex paint cans need to be dried out before placing in the container. We cannot accept paint in a liquid form because it may leak out onto the ground or street.

Cleanups are from 8 a.m. to noon. Containers will be delivered by 8 a.m. and picked up between noon and 2 p.m. on the

same day.

Do Not Overfill the container. Debris must not hang over the sides or stick up higher than the sides of the container, and the door must be able to close.

The neighborhood is responsible for the container. If it is overfilled, the neighborhood will be responsible for leveling off the container prior to pickup. If unacceptable items are placed in the container, the neighborhood is responsible for removal and disposal of the

item(s).

No Rain Date for Containers/trucks. We will not be able to pick up containers and deliver them on another day if it is raining. If there is thunder and lightning, DO NOT, under any circumstances, try to do your cleanup.

If you have any issues with a container or truck, call Matt Gratz with the City Solid Waste Department at 403-6523 or Nick Gaylord of Republic Services at 249-6720.
