Notice of Golf Cart Rules on Public Roadways

As summer approaches, we would just like to send a friendly reminder regarding the use of golf carts on public (city) roadways.

Below you will see the Indiana code regarding such. We understand that this can be frustrating, but also understand that there is nothing legally that we can do to change the code as an HOA.

Please note, that up to this point, security has not been ticketing residents, but rather, has had conversations with a few to

reiterate the code. However, as it continues to be an issue, they will have no other option but to ticket.

Indiana Code (IC) 9-21-8-57 prohibits operating golf carts or off-road vehicles on highways, except under specific conditions, namely, and ordinance adopted under IC 9-21-1-3(a)(14) and IC 14-1-1-20. The City of Fort Wayne does not permit golf carts to be used on public roadways. For this IC Code, highway and roadway are the same.

UPDATE ON TENNIS COURT 3-4

After multiple repair issues and expenses that have occurred in attempting to keep the lights on at Tennis Courts 3-4, the Board, following much discussion, has agreed that any further maintenance and cost were unnecessary and unwarranted at this time.

This decision was based upon Indiana becoming Daylight Savings time, as well as the limited usage of the courts after daylight hours. It was also discussed and concluded that these monies could be better spent and utilized elsewhere as needs arise.

Prepare for a safe 4th of July

Fort Wayne Fire Department joins with Fort Wayne Police Department and Three Rivers Ambulance Authority to encourage everyone to enjoy fireworks in the safest possible way. "We recommend for everyone's safety that they go to fireworks presented by trained professionals," said District Chief Jim Murua, Fort Wayne Fire Department Fire Marshal. "If they are going to purchase fireworks for private use, we encourage them to use fireworks responsibly and take safety precautions." Anyone with a fireworks-related complaint is to call the Fort Wayne Police Department at 427-1222.

The Fort Wayne City Ordinance governing the use of fireworks in Fort Wayne which is similar to Indiana's State Fireworks Law which does allow adults age 18 and older to purchase fireworks for use in Fort Wayne

on the user's property, the property of someone who has consented to the use of fireworks, or at a special discharge location designated by the State Fire Marshal. In the City of Fort Wayne, the fireworks may be used only between 5 p.m. and two hours after dusk (approximately 11 p.m.) from June 29-July 3 and July 5-9. On the day before Memorial Day, Memorial Day, Fourth of July, the day before Labor Day and Labor Day, the hours are extended from 10 a.m. to midnight. For New Year's Eve, the hours are 10 a.m. Dec. 31 until 1 a.m., Jan. 1.

"According to a report from the Indiana State Department of Health, in 2007 48% of all fireworks-related injuries in Indiana involved children and adolescents. They represent a quarter of Indiana's population so this is a concern. Of these injuries, 69% of cases reported burn injuries with burns to the

hands being the most common type of burn injury," said Murua. He explained that of all the injuries in 2007, one in five of those injuries involved the eyes with 92% of those injuries due to not using any eye protection. He noted the report also said that fireworks use on private property accounted for 83 % of the reported injuries. "Fireworks injuries are often severe," he added.

Safety is always the key to any activity and this includes fireworks. For your safety, as well as that of your loved ones, neighbors and the community, the Fort Wayne Fire Department suggests you enjoy your fireworks at a professional event. Information regarding Fort Wayne's new Fireworks Law is available at www.FWFD.org, the Internet Site for Fort Wayne Fire Department.

A huge thank you to all the residents that made the Arlington Park Association Garage Sales another successful year!

The Swim and Dive Team greatly appreciates your kind donations towards our team. The swim team gets food vendors, port-a-pots and social media blasts on two different Facebook pages to draw as many shoppers as possible to our beautiful neighborhood and will continue to do this in the years to come.

We will no longer do paper maps due to cost, but we are fortunate how the internet allows us to advertise and promote for free. We are excited for a great 48th summer swim season! We are AP!

We really appreciate the opportunity for the small write up in the paper. If you have any questions or concerns, please feel free to contact me.

Thanks

A huge shout out to our newly formed Beautification Team here at Arlington led by Amy Kuhl. Thank you so much for all of your hard work alongside our maintenance team, for the planting of our new Native Plants. These plants will bloom throughout every season and will come back every year. We are so excited to watch the progress. Planting these perennials will save us both time and money. Please be patient this year as they find their roots, we may not see some of the brilliant colors as soon as we'd like, but sometimes beauty takes a little time. Pictured are Amy Kuhl, Jim Kroeger, Karen and Bonnie Jacobs, Elliot and Dani Faurote. Not pictured, but a huge help as well are Rose Bordock and Cyndi Adamson. Some of these individuals also shared some of their own existing plants to add additional coverage. Thank you for your donation of time and commitment to our community.

Show your Community Pride

As summer is now upon us, and there is so much going on here at Arlington , with the pool and golf course open, great weather for Tennis and Pickleball, playground and all outside activities. Let's just make sure that we are all being aware of our surroundings, ensuring that the whole community is helping Arlington stay beautiful by taking pride in what goes on.

Making sure that as residents we are cleaning up after our pets, utilizing the dogie stations. Reminding our children not to cut through a neighbor's yard to get to the playground area, but rather to utilize the sidewalks.

Ensuring that trash cans are kept to the side of homes, that the lawns are kept mowed and free of trash and debris, etc. Thank you so much to those of you who have reached out with suggestions regarding landscaping and flowers, as well as keeping us on our toes as areas

of need pop up and for your patience when we experienced so much rain that we were unable to maintain our common areas as we would have liked. It definitely takes a village to maintain such a large area, and if we continue to work as a community Arlington will continue to thrive and shine!

THANK YOU!

Pet Courtesy

As summer is upon us, we'd just like to take some time to talk about Pet Courtesy. We have a lot of animal lovers here in Arlington, which is wonderful, we know how incredibly important they are to our family's. In saying that, we know that they are also a huge responsibility. So just some quick reminders that relate to numerous calls and emails we have received here in the Clubhouse.

- Please ensure that you are utilizing the Doggie Pots we have throughout the Neighborhood on our Walking paths, as a common courtesy to all residents. Ensure that when you are disposing of the bags that they make it into the containers.

- Please ensure that you are being respectful to your neighbors as it relates to letting your pet out in the early mornings, late evenings and providing the necessary supervision so that there is not constant barking etc. We've received calls stating that the dogs are incessantly barking throughout the day, unsupervised, not redirected. Some

residents have contacted animal control, which is what we suggest be done if there are continual complaints made.

- We have had calls and emails regarding larger dogs running toward fences aggressively as pedestrians walk past, which can be unsettling especially for younger individuals. Please, again, provide the necessary supervision to assist in eliminating that as much as possible. It helps to call them back as they will most likely respond to your voice.

- We have also had several

calls and emails regarding cats wondering into other resident's yards, or even their homes. Please ensure that your pets are kept secured when outside.

- Also, ensure that your pets are registered, at City Pet Registration. Per city ordinance, all dogs and cats living within Fort Wayne City limits must be registered with Animal Care & Control by the time they are 5 months old. The fee is minimal and assists with identifying a lost or stolen pet.

Fort Wayne's Tall Grass/Weed Program Returns this summer

The City of Fort Wayne has begun enforcing its tall grass/weed program today.

The program allows residents to report grass and weeds over nine inches. This is enforced through the Neighborhood Code Compliance.

The public can report possible violations by calling 311 or 260-427-8311. Individuals reporting a violation must provide the property's street address.

"Tall grass on one property can negatively affect an entire neighborhood," said Chris Blauvelt, Neighborhood Code Compliance Director. "The City of Fort Wayne's Weed Program not only addresses tall grass, but also assists in the prevention of other nuisances such as noxious vegetation, rodent, insects, and illegal dumping."

If a property is in violation,

they will receive a citation with a notice ordering them to mow within five days. Inspectors take a date-stamped electronic photo and post a placard on the cited property and a notice is mailed to the owner of the property.

If the property is still not up to the ordinance, the Neighborhood Code will send a private contractor to mow the property and send an invoice to the property owner. The owner will then be charged for the mowing. If the invoice is not paid within 30 days, a lien will be placed on the property. The charge is based on lot sizes.

Neighborhood Code Compliance employs eight seasonal, part-time inspectors who respond to concerns from the public, but also act protectively to identify high grass and weeds, particularly along high-traffic corridors.
